*Please list the elements/features that you individually like best and would like considered in the final master plan.*

- Sufficient parking
- Fields available till 11:00 p.m. to allow maximum play time
- All of it
- Baseball fields
- Turf
- Playground
- A nice place for our Colorado Springs youth (of all ages) can call home and to be proud of
- New location is much better from access
- Phase II aquatics center is what I am most excited about. Ice arena would be great too. I like the new location, faux grass, splash park, parking
- Phase II, aquatics and ice
- More fields for the north end
- Primarily Colorado Springs usage
- Put more parking on-site not off-site
- Pay for traffic light at Federal and Interquest

*Please list the elements/features that you individually would like to see changed.*

- Just build it
- None, build faster
- Nothing
- To get built faster!
- Concern on hours of operation – we can hear stuff at New Life so do not want noise after 10:00 p.m.
- Will Old Ranch be expanded to four lanes all the way down to Voyager and any traffic signals?
- Accelerate Phase II. If you need a deeply rooted north side swim team to partner with, please call Falfins (contact information was provided) Thank you!
- Continue to listen to the Colorado Springs residents for wants
- Nothing at this time
- No parking on Federal Drive
- No spill over parking to adjoining properties
